Director of Lending, Leonid Ostrovsky at a celebration hosted by NYC Comptroller Scott Stringer in Brighton Beach, honoring the contributions of Russian-speaking New Yorkers.

### Upcoming Workshops

#### Accounting and Bookkeeping Rules & Procedures for Small Business Owners

Monday, August 3  
9:30 AM to 1:30 PM

This class will help small business owners understand the basics about managing financial books and making smart decisions about business finances.

#### QuickBooks Online, Level 1

When client Mohamed Barrie told us that his car service company was struggling to keep up with the new Green Taxis and Uber cars, we found an opportunity to help by providing him with Square credit card-reading devices for his drivers' smartphones.

**Thursday, August 6**  
Taught by Paul Rosenblum, a QuickBooks Certified Pro Advisor.  
Students will use a FREE downloadable version of QuickBooks Online for the course.

Congratulations to the newest graduates of BCNA's First Home Workshop!

This series of three workshops covered the home buying process and safe & smart mortgages, and helped qualify participants for down payment assistance!

tsB &T

As we look back on this year's 4<sup>th</sup> Annual BCNA Immigrant Heritage Week Awards, what emerges, even more than our exciting speakers and informative panel, is the extraordinary accomplishments of our client-awardees, and of all our clients for that matter.
